

# PREFERENCE

## How your goods can attract a lower or even nil rate of duty

In response to Member's requests, the Hull & Humber Chamber of Commerce together with HM Revenue and Customs will be delivering an **Export and Import Preference** seminar on Tuesday, 9<sup>th</sup> February 2010 from 10.30am until 2.30pm at the Campanile Hotel, Hull.

Export Preference is a procedure in which a company is able to declare that their goods originate in the EU, enabling their customer abroad to pay a lower, or nil, rate of duty. However, this is subject to the goods meeting strict origin criteria. Additionally, not all countries give preference.

This seminar will provide you with a greater awareness of origin rules and how your goods can qualify for preferential rates of duty. The following will be covered on the day:

- What is preferential trade?
- The aims and benefits of preference
- Preference conditions
- Preference documentation
- Simplified procedures
- Cumulation

The seminar will begin with registrations from 10.15am and will include presentations, a workshop and a Q & A session with representatives from HM Revenue & Customs. Places for this presentation are limited, so please complete and return your booking form by email or fax as soon as possible to reserve your place. The cost is £26.50 + vat, which includes the seminar, lunch and car parking.
